

ARYL

This high-gloss white bath is an asymmetrical corner bath with a surprising amount of lying space. A lowered seating area has been created in the corner, making this bath a true wellness while requiring little space from the room. Ideal for the compact bathroom. The asymmetrical shape comes in two variants; a left and right variant.

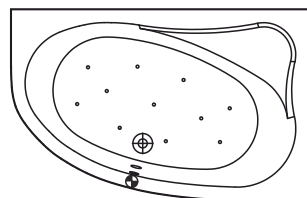

RIHO acrylic baths are made of high-quality cast acrylic, fully reinforced and all through white in colour. Our acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain, also it makes the baths easy to clean. Its surface is pleasantly warm. Standard the bath doesn't include a legset and overflow/drain.
