Safety

- Do not place more than a 2 Kg load on each shelf
- Do not apply pressure of more than 15 Kg on open drawers
- Product with electrical connections should only be installed and fixed by qualified electrician, who will install it in accordance to the installation manuals and the norms in force in the country.
- Incorrect installation and/or use of the item for any purpose other than that for which it was intended can be dangerous or cause possible injury to users.
- When cleaning or using the bathroom, please take care for all furniture having integrated lights or other electric parts, to avoid direct contact with water or moisture.
- The products should be installed in a bathroom with adequate ventilation.

Warranty

Installation

Maintenance and Cleaning

- Wipe down with a damp cloth or a gentle detergent and dry carefully.
- Do not use any solvents or abrasive substances for cleaning. Spilt liquids must be wiped up immediately using a cloth; thereafter, dry the surface with a clean dry cloth.

Product life-cycle

Product life-cycle

At the end of its useful life, entrust the unit to the local waste disposal company.

Sicurezza

- Non applicare alle mensole un carico superiore a 2 kg ciascuno
- Non applicare ai cassetti aperti un carico superiore a 15 Kg
- L'allacciamento alla rete elettrica ed eventuali interventi successive, devono essere eseguiti da personale esperto, tenendo conto della normative vigenti nel paese.
- Una non corretta installazione e/o un utilizzo del materiale diverso da quello a cui è destinato, potrebbero causare situazioni di pericolo oppure lesioni a cose o persone
- Durante l'utilizzo e la pulizia del bagno osservare le dovute cautele per tutti i mobili che hanno lampade o parti elettriche integrate in modo tale da evitare di avere contatti accidentali con acqua e condense. I prodotti dovrebbero essere installati in bagni con un adeguato ricambio d'aria.
